

## Who We Are

InBC is a strategic investment fund with \$500 million to invest in growing companies and venture funds which demonstrate a measurable impact for people, planet and profit in B.C.

### A unique perspective

As B.C.'s strategic investment fund, InBC seeks to be a force for positive change in British Columbia. The fund will actively collaborate with other investors and partners to grow the capital pool and broaden impact. Its goal is to attract, retain and grow companies that have a strong connection to B.C. while generating financial, social and environmental returns.

#### Connection to B.C.

The fund is focused on opportunities with a strong connection to B.C. and actively engages across all regions of the province.

#### Unlocking Potential

InBC seeks to unlock the potential that exists in diverse populations, geographies and sectors that are currently underserved by existing capital sources.

#### Long-term Impact

Investments are made to be aligned with bold visions and triple bottom line objectives, including longer time horizons.

## Impact Objectives

InBC investments focus on delivering positive social, environmental and economic impacts, in addition to financial returns, to support a sustainable and inclusive future for British Columbia. Investments will align with at least one impact objective:

#### ● Driving Climate Action

Investing in solutions towards net-zero emissions and a climate resilient economy.

#### ● Advancing Reconciliation

Investing in solutions that strengthen partnerships and generate economic opportunities for Indigenous Peoples in B.C.

#### ● Innovating for the Future

Investing in innovations and industries for future economic growth in B.C.

#### ● Elevating Inclusive Communities

Investing in solutions to improve outcomes for under-represented people and communities in B.C.

# How InBC will invest

Each investment is individually assessed according to its:

<p><b>1</b></p> <p>Strong connection to B.C.</p>	<p><b>2</b></p> <p>Alignment to one (or more) impact objectives</p>	<p><b>3</b></p> <p>Environmental, social and governance (ESG) risks</p>	<p><b>4</b></p> <p>Ability to provide a risk-adjusted market-rate return</p>
--	---	---	--

InBC will invest in both funds and companies who align with this criteria and can demonstrate they provide measurable contributions to people, planet and profit in B.C.

Fund Investment	Co-Investment	Direct Investment
InBC will invest in new and established venture funds that align with InBC's mandate as a means to leverage specialty expertise, increase number of investors, and to scale capacity and support for a broader range of investments.	InBC will consider co-investment in companies that our other venture funds have previously invested in or are contemplating for investment.	InBC will consider direct investments into companies that are in their scale-up phase, demonstrating commercial progress, and seeking equity investment to support their growth.
